Dedication

Fifteen graduating classes have come and gone, each one under the capable leadership of a man, who for two decades has served loyally to further the program of our school, as our principal, teacher, adviser and friend.

The graduation of the class of 1937, marks sixteen years of endless service given by Mr. Treece, our principal, to whom we dedicate, with sincere gratitude, this twenty-fifth volume of the Black and Gold.

ADMINISTRATION

MR. JARVIS

A d m i r a l

In the two years that Mr. Jarvis has been in command of our schools, he has labored untiringly for the betterment of our school system. His progressive spirit and ideas have done much to raise the standards of our school to the highest level.

Through his straightforward and sincere manner he has won the admiration of every student. Through his efforts we are enjoying the very latest benefits of education, which we appreciate greatly.

With the greatest feeling of gratitude for your guidance, and the accomplishments you have afforded us, we the Seniors of 1937, salute you.

MR. TREECE

L.C. Treece

Rear Admiral

For the past sixteen years, we have had as the guiding and propelling force of Perrysburg High School, a man whose winning smile and pleasing personality have won the friendship and favor of every student and alumnus of Perrysburg High School.

He has always been known as one who is never too busy to help and advise—a good friend to all—and one interested in each individual student, as well as in every phase of high school life.

Through his strength of character and ideals he has furnished an example to us, the Seniors of 1937, whom he has guided through difficult problems in reaching our final goal — graduation.

The Board of Education

The control board of our ship is the Board of Education, which labors co-operatively with our two commanding officers, in making possible the extension of opportunities now offered to our Perrysburg High School students. Neither the Board of Education nor our two executives could navigate independently, as each needs the other, and upon both are thrust many responsibilities, which must be shouldered and executed in the best interests of our school and community.

To the Board of Education, who have generously rendered much time in the advancement of our school, we, the editors of this book, wish to express our gratitude for your valuable service and your sincere interest, which is a guiding factor in the growth and improvement of our school.

The officers and members are:

President.....	C. H. Speck	
Vice-President	Mrs. Harriet Cummins	
George Roose	Ralph Britten	Dr. Norman Foley
Clerk.....	Mrs. Ethel Canfield	

In memory of the late Mr. E. L. Clay, former president of the Board of Education, only these words can be said, "His gain is our loss."

CLASSES

CHAPTER I

Upon the opening of the school year of 1933, we entered as a group of one hundred and nine frightened and bewildered Freshmen of Perrysburg High School, for the purpose of beginning our new course of study. After several weeks of school we met under the supervision of Miss Wahl, Mr. Gerber and Mr. Bachman, at which time we elected the following officers:

President	Betty Burton
Vice-President	Ruth Cummins
Secretary-Treasurer	Clayton Snyder
Reporter	Felia Ford
Student Council Rep.....	Junior Pyers

CHAPTER II

In the fall of 1934, we returned to school with high hopes for another successful year. Our one disappointment, however, was to find that our class had decreased to eighty-seven members. Under the direction of Miss Wahl and Mr. Canfield, we elected the following officers, who led us through our eventful Sophomore year:

President	Earl Schumacher
Vice-President	David Stanford
Secretary-Treasurer	Richard Britten
Reporter	Betty Kuehn
Student Council Rep.....	Janet Niederhouse

CHAPTER III

In September, 1935, eighty Juniors assembled in the halls of Perrysburg High School.. Our sponsors for this year were Miss Munger and Mr. Huffman. The following officers guided us through a busy and interesting year:

President	Earl Schumacher
Vice-President	Boyd Musser
Secretary	Betty Kuehn
Treasurer	Janet Niederhouse
Reporter	Jack Coble
Student Council Rep.....	Ruth Cummins

CHAPTER IV

When the school bell rang for the first time for school in 1936, sixty-five Seniors assembled for the last year in our high school life. By this time we thought that we knew much about what there was to be learned. Our sponsors were Miss Forsyth and Mr. Barber. After a few weeks of school, we met and the following officers were elected:

President	Earl Schumacher
Vice-President	Janet Niederhouse
Secretary	Wilma Johnson
Treasurer	Betty Kuehn
Reporter	Martin Luther Althoff
Student Council Rep.	Ruth Cummins

A month after school had begun, Mr. Barber was granted a year's leave of absence that he might further his education, and Mr. Franck filled this vacancy.

As the end of our high school days draw near, we regret having to leave the many friendships and good times we have so sincerely enjoyed, but we leave with deep appreciation of our accomplishment, that of having prepared ourselves for the various fields we must enter upon graduation.

Wilma Johnson	Secretary
Ruth Cummins	Student Council
Janet Niederhouse	Vice President
Betty Kuehn	Treasurer
Irene Richards	Social Chairman
Martin Althoff	Reporter
Earl Schumacher	President

Freshman Class

The Freshman Class of eighty-eight members that entered high school in the autumn of 1936 was smaller than in the past. Early in the year we elected the following officers:

President	- - - - -	Robert Marriott
Vice-President	- - - - -	Robert Dibling
Secretary-Treasurer	- - - - -	Edward Wambold
Reporter	- - - - -	Lawrence Schwind
Student Council Rep.	- - - - -	Robert Wagoner

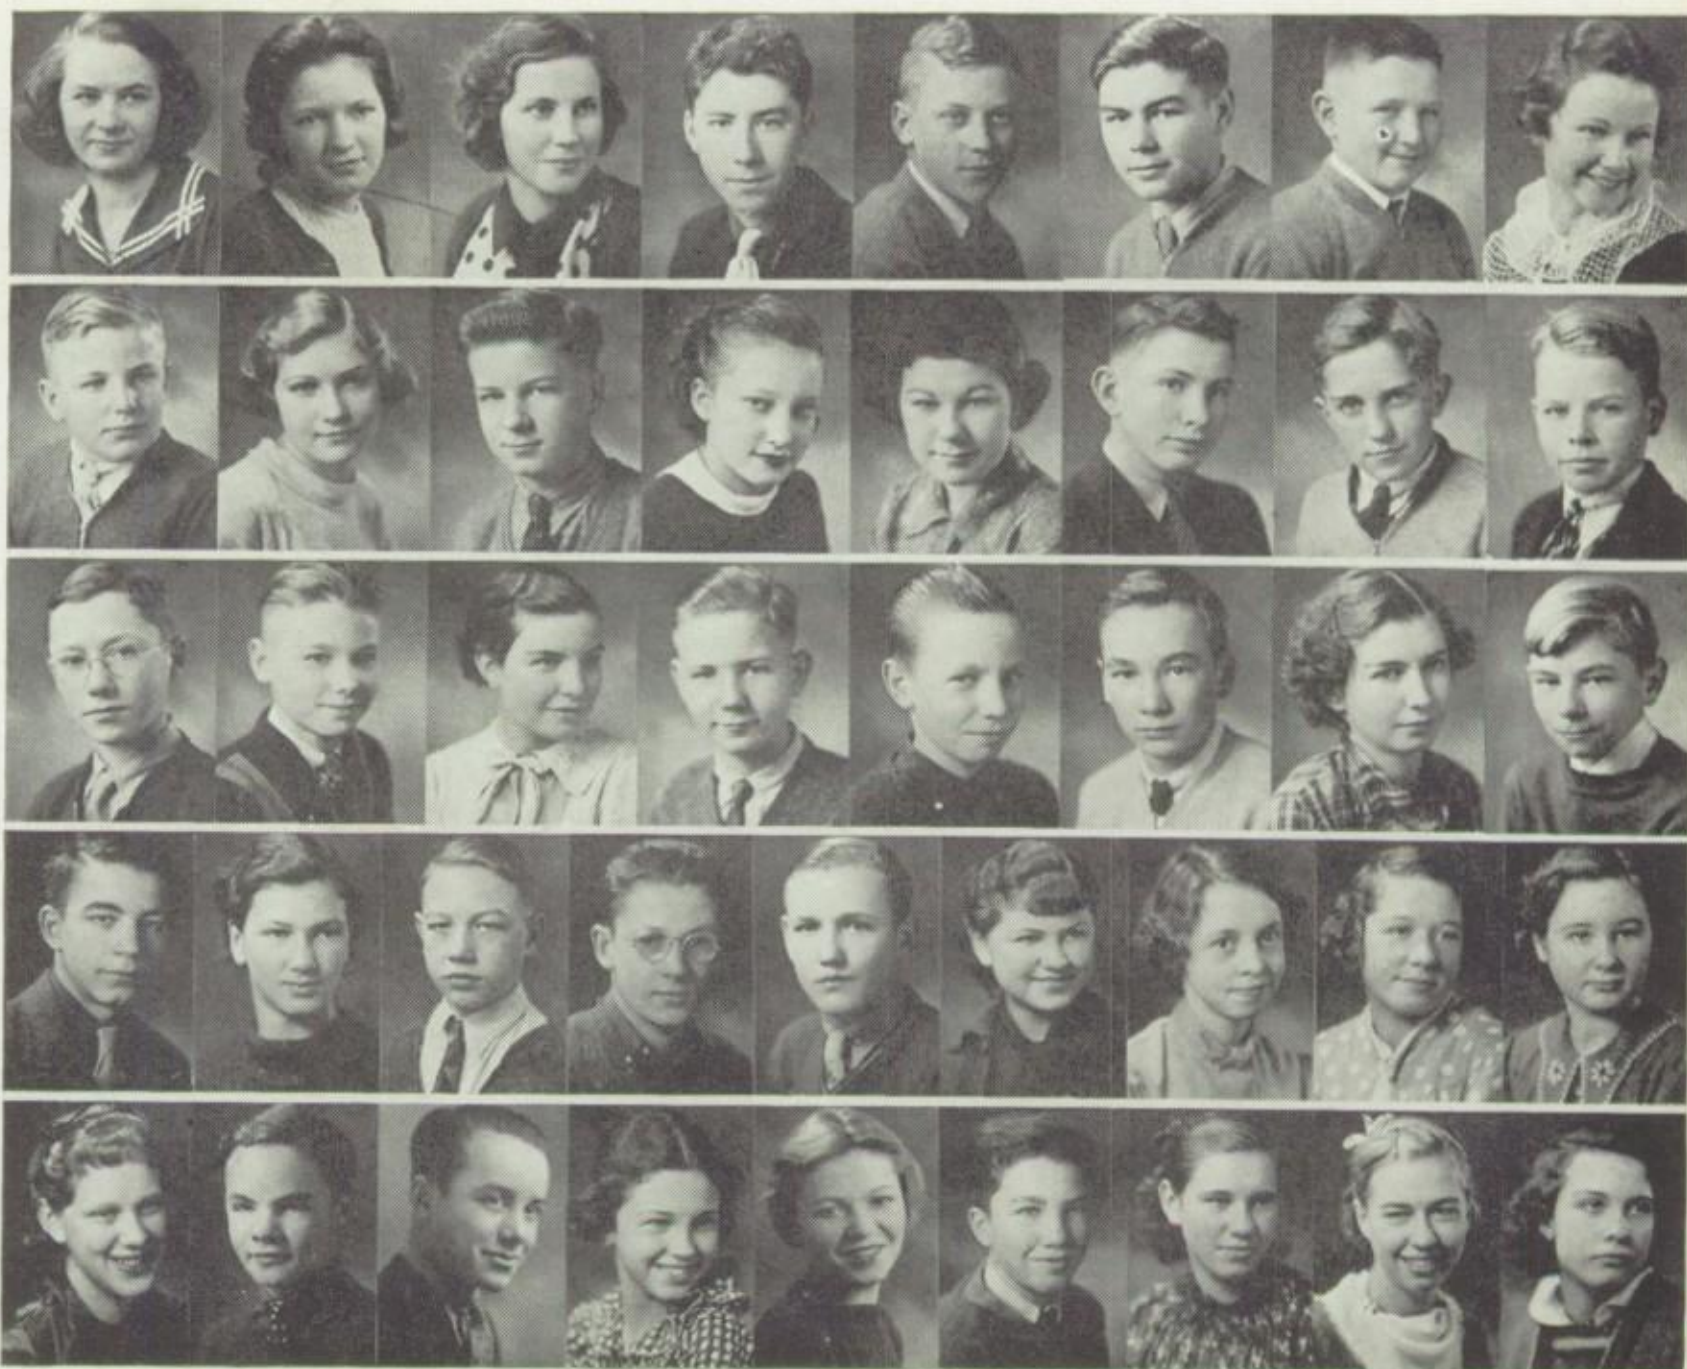

With the help of our homeroom supervisor, Miss Brentlinger, and under the leadership of Robert Dibling, we gave a convocation program in February and an all high school dance in April. Other activities were roasts and a bobsled party.

May it be hinted that this group promises to be an exceptional class in the production of scholars and leaders in the various phases of high school life.

ACTIVITIES

A CAPELLA CHOIR

As this is the first year in our high school history in which we have had an A Capella Choir, we are very proud of it. It is a combined chorus of the Boys' and Girls' Glee Clubs. Without doubt it is the best singing group, and is greatly enjoyed by both listeners and singers.

The aim of this organization is to sing the music theoretically correct, as well as musically beautiful.

Favorable reports which have been received indicate that an organization of this kind should become stronger year by year.

The following officers were elected:

 Vice-PresidentRobert Williams
 Secretary-TreasurerBetty Muir
 LibrarianIrving Johnson

ReporterWilma Bentley

MUSIC CONTESTANTS

The Northwestern District Solo and Ensemble contest was held at Bowling Green, Ohio, April 3. As in past years, the contestants placed Perrysburg among the three highest rating school in Northwestern Ohio. The Somethin' Staff

The Somethin' Staff is composed entirely of students studying Journalism, and is so divided into various staffs, that each student may find the proper division for his talent and interests.

The Staff has attempted to make the Somethin', our school paper, "the voice of the school", the connecting link between the classes, students and activities, the instrument of arousing and maintaining an interest in every phase of high school life.

Due to the splendid new mimeograph and other new equipment recently afforded the staff, much progress has been made by the staff members this year.

The Girl Reserve Club, comprised of the most outstanding girls of the Senior and Junior classes, plays an important role in high school life. This club, long recognized as the service club of the school, aids in the advancement of the vital interests of the girls, and of the community.

"To face life squarely" and "to find and give the best" are the important aims of the members—which help to promote friendship and the building of character in the sense of a reserve for the future.

With the co-operation of the members, and under the leadership of our friendly and loyal adviser, Miss Forsyth, the club has experienced a very successful and profitable year.

The officers who have served so faithfully this year are:

President	Betty Kuehn	Secretary	Wilma Johnson
Vice-President	Janet Niederhouse	Treasurer	Lenore Robertson
Chaplain	Margery Rickel		

The Hi-y Club, which is an active branch organization of the Y.M.C.A., upholds the high standards of Christian character.

The four cornerstones upon which this club is built are: clean living, clean speech, clean athletics and clean scholarship.

Under the supervision of our leader, Mr. Treece, who constantly idealizes the principles of the organization, we have enjoyed a most successful year.

The officers are:

President	Earl Schumacher	Treasurer	Junior Pyers
Vice-President	Harold Lehman	Sergeant-at-Arms	David Stanford
Secretary	John Christman	Chaplain	Lincoln Cupp

Dramatics

This has been an active year for dramatics in our high school, in spite of the fact that we were without a regularly organized dramatic club. For the first time in the history of the school a regular course was offered in drama. In the course, with thirty enrolled, the elements of acting and of stage technique were emphasized. As a class project the play, "From Shoat Gap to Harvard", was produced on December 9. Other productions included "Some There Are Who Remember" and Dickens' "Christmas Carol". Of course, there was the usual Farmers' Institute production, which this year was "Crashing Society". The play was rendered before large and appreciative audiences.

The outstanding achievement of the year has been the discovery and development of some unusually fine dramatic talent. In view of this, the future of dramatic work in Perrysburg High School looks unusually bright.

Mr. Franck, teacher of the drama class and dramatic coach, deserves much praise for the gratifying results.

Senior Plays

The Senior class again presented two plays this year. The first play, "Under Twenty", or better known as "Sweet Seventeen", was given May 21, under the direction of Miss Forsyth.

The story of this play deals with the trials of a once wealthy family—now bankrupt—and the efforts of the younger daughter to bring the family to time, the complex love problems of the older daughter, as well as of the younger sister. The leads were played by Ruth Cummins and Wilma Bentley, Earl Schumacher and Dave Stanford, with a strong supporting cast consisting of Betty Kuehn, Harold Lehman, Irene Richards, Eleanor Reitzel, and John Christman.

The second play, "After Wimpole Street", was given May 24, under the direction of Mr. Franck. This play deals with the life and beautiful love story of Elizabeth Barrett and Robert Browning, played by Janet Niederhouse and Martin L. Althoff, and supported by Virginia Hill, Boyd Musser, Mary Mosher, Wilma Johnson, Dorothy LaFarree, Dorothy Kazmaier, Richard Spoerl and Bernard Schneider.

LE CERCLE FRANCAIS

The members of the Junior and Senior French classes, who comprise "Le Cercle Francais", have enjoyed a very interesting and successful club year.

The monthly meetings of the organization have been devoted to French plays and songs, skits and discussions of various topics relating to various phases of French life—such as the provinces, cities, education, art, famous French people, the history and topography of France, thus affording intimate glimpses into the life and customs of France, resulting in a closer understanding and appreciation of the country whose language we are studying.

The progress of the club is largely due to the able direction of our language teacher, Miss Forsyth, and to the following officers:

Senior Club Officers:

President Wilma Johnson
Program Chairman..... Betty Kuehn

Junior Club Officers:

President Howard Huffman
Program Chairman..... Marjorie Rickel

THE LATIN CLUB

Latin is often spoken of as a dead language, but the two Latin Clubs of our high school, the "Inter Amicos Latinos" Freshman club and the "Alea lacta Est" Sophomore club, have proved it a very living instrument of culture and education in everyday life.

The programs presented monthly have been educational as well as entertaining, and through them the Latin students have delved into the events of classical times, studying the history, customs, art, literature and country of the people whose language today forms the foundation of our English language, and whose systems of law and style of architecture are seen and used in every part of our country today.

The accomplishments of the club are largely due to the sincere and interested efforts of our adviser, Miss Forsyth, and to the program chairmen and officers.

Sophomore Club

President Virginia Duffey
Program Chairman..... Margaret Schwind

Freshman Club

President Lee Robbie Fuller
Program Chairman..... Grace Mills

Boosters' Club

This club is rapidly proving itself one of the most valuable, active and interesting organizations of our high school. Whenever pep and co-operation is needed to support a high school activity of any kind, this club has always proved itself the valuable and necessary instrument.

The Boosters have successfully sponsored dances, athletic banquets, football programs, and numerous other school affairs.

Much of the success of this club is due to the capable supervision of its sponsor, Miss Munger, as well as to the following officers:

President	Janet Niederhouse
Vice-President	Earl Schumacher
Secretary	Ruth Cummins
Treasurer	Bill Anderson
Reporter	Betty Kuehn

May Queen

The May Festival has been a spring affair of the past two years, and because of the interest and enthusiasm displayed by the student body it will no doubt become one of the many outstanding traditions of Perrysburg High School.

The May Queen and her attendants are as follows, left to right:
 Raymond Reis, Florence Smithers, Martin Althoff, Mary Mosher, Janet Niederhouse—May Queen, Florence Anderegg—Queen's Maid of Honor, Earl Schumacher, Irene Richards, David Stanford, Dorothy Kazmaier

ATHLETICS

1936 Football Team

MR. GOLDING MR. TREECE COACH
Assistant Coach Faculty Adviser SHEFFER

This has been one of the most successful years in athletics in the history of Perrysburg high school.

In spite of unusually heavy schedules in both football and basketball, our teams came through in fine shape, winning the majority of their games in both sports.

I believe that the members of the teams would, above all, wish me in these few words, to express for them, their appreciation to the student body and townspeople for their unusually fine support during both the football and basketball seasons. This, I am sure, had a great deal to do with the fine showing that the teams made.

As we end the year, we naturally look forward to what next year may have in store for us. At first glance things look none to bright, for we lose some of the finest athletes who have ever represented this school. Such men as Schumacher, Briest, Musser, Reis, Coble, Stanford, Agee, Schramm and others, are not found in every class, and those who will have to fill their shoes next year will have a difficult task.

Not for many years, however, have we had a more promising looking group of youngsters coming on, and after looking them over we feel hopeful, in spite of our unusually heavy losses.

To you, senior athletes who are leaving us this year, we say goodbye with the greatest reluctance, not only because we will miss you on the teams next fall, but because we will miss just YOU.

You have set an example in determination to win, at the same time holding to the highest ideals of sportsmanship and gentlemanly conduct that will be an inspiration to the teams for many years to come.

SHUMACHER—Tackle

Blocking ten punts in nine games is a record that will be hard to beat. Our most valuable man.

WALP—Guard

When the going was tough, Walp was tougher. He plays football because he likes it.

JOHNSON—End

Only a Freshman, but a tough football player.

STANFORD—Center

Few plays ever got past the center of the line, because "Davie" was there.

McCLAIN—Tackle

An aggressive tackle. Lloyd has two more years to demonstrate his ability as a football player.

THOMAS—Halfback

As shifty a ball carrier as ever wore a pair of cleats. We shall watch "Tommy" another year.

THOMPSON—Halfback

"Whitey" was a fine blocker, and his team's success depended on his ability to get his man.

MUSSER—Tackle

Boyd played his best game under the lights at Delta.

REIS—End

His ability to catch passes made Ray a valuable end.

BRIEST—Fullback

Honorary Captain

"Hank" established himself in the hearts of all P.H.S. followers. His long runs and fine team play will long be remembered.

ROBERTS—Halfback

Weight, only 135 pounds, Roberts had what it takes to play football.

MARRIOTT—Halfback

Punting was his speciality. We will expect plenty of football next year, Boz.

FINCH—Quarterback

Only a Sophomore and his first year of football, but Finchie used fine judgment in selecting plays.

LINDSAY—Guard

A fine end that will play for P.H.S. another year.

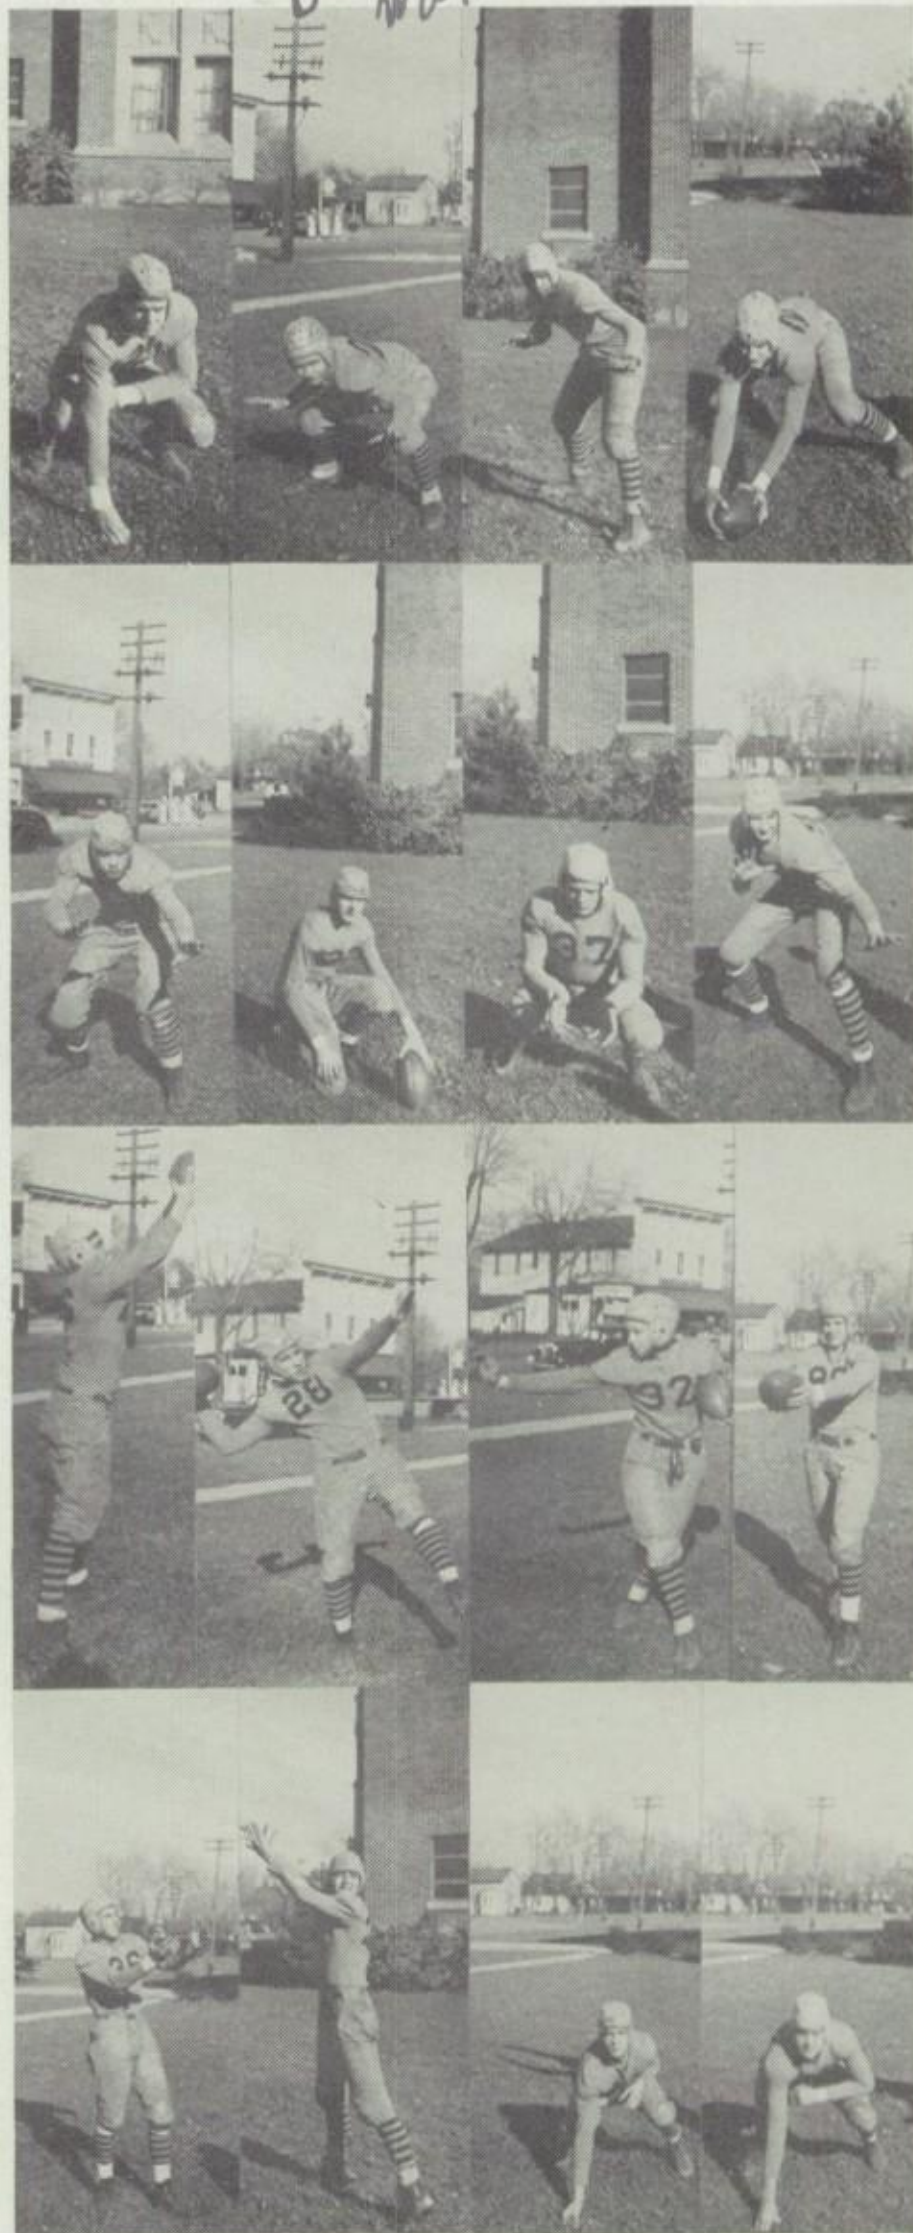

AGEE—Guard

Small but mighty, "Red" was a quiet player, but a bear in defense.

SCHRAMM—Guard

His size made him a hard man to move.

FOOTBALL

THIS TEAM OF BOYS HAS NOW BEEN FOUND

BASKETBALL

The Basketball Team of 1936-1937 has placed a memorable record on the athletic pages of history by their series of victories during the year and at the tournament, making them the Basketball Champions of Northwestern Ohio.

Perrysburg High School will long remember them as the first Perrysburg Basketball team to win this recognition.

The team exhibited the secret of their victory by their superior sportsmanlike behavior as well as by their fine attitude and co-operative team work.

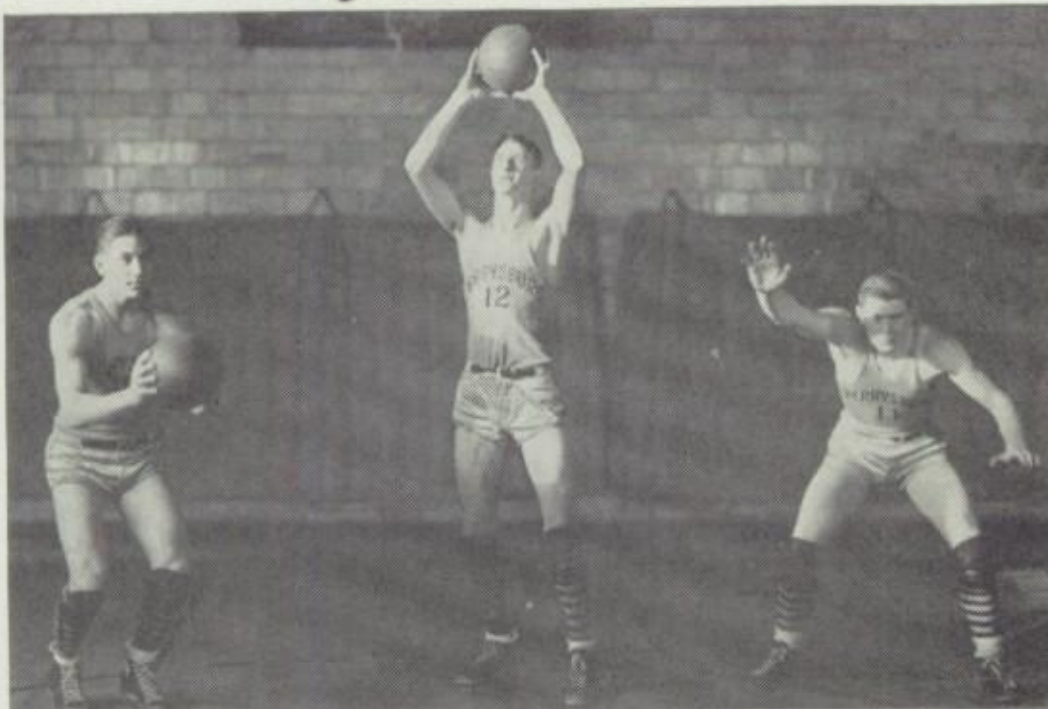

Since there has been much praise and honor bestowed on the team, this is certainly an opportunity to honor the man behind the team, the man who trained, worked and guided them through successive victories, and who fought as hard to win as did the team.

The team had support in a great number of loyal followers, who also upheld the high standards of good sportsmanship and inspired our team to success.

Through graduation, Perrysburg will lose five of its star players, whose places will be difficult to fill. You have been real athletes, and may the success you have had in this field follow you in the future.

*Boyd Musser.
6ft 6 in.*

BRIEST—Guard

His accurate passing and fine team play created a spirit that will long be remembered.

MUSSER—Center

Boyd's superior height and fine jumping ability enabled his team to control the tip in most of the games. His lefthanded pivot shot was a constant worry to all opponents.

SCHUMACHER—Guard

Earl proved that old saying, "Time will tell". After an ankle injury in mid-season, Earl came back and ended a great high school career in a blaze of glory.

COBLE—Forward

Two years of varsity ball made Jack one of the best liked of the squad. A fast man and clever passer says farewell to P. H. S. this year.

ROBERTS—Forward

When the coach needed speed, Roberts was always ready. Junior has two more years to write history on the hardwood court.

FINCH—Forward

Playing his first year on the varsity team, Finchie was the score threat of the team.

LINDSAY—Guard

Although playing his first season at varsity ball, Bob proved to be a valuable team man. Much will be expected of Bob next year.

STANFORD—Guard

Not satisfied with football alone, Davie went out for basketball, determined to make the team.

REIS—Forward

Although not the fastest man on the team, "Ray" fitted into the Perrysburg system perfectly. He was a quiet fellow on the floor, and this quality, combined with his ability to hit the basket at long range, helped to make him a valuable man.

G. A. A.

Slogans:

"Play for play's sake."

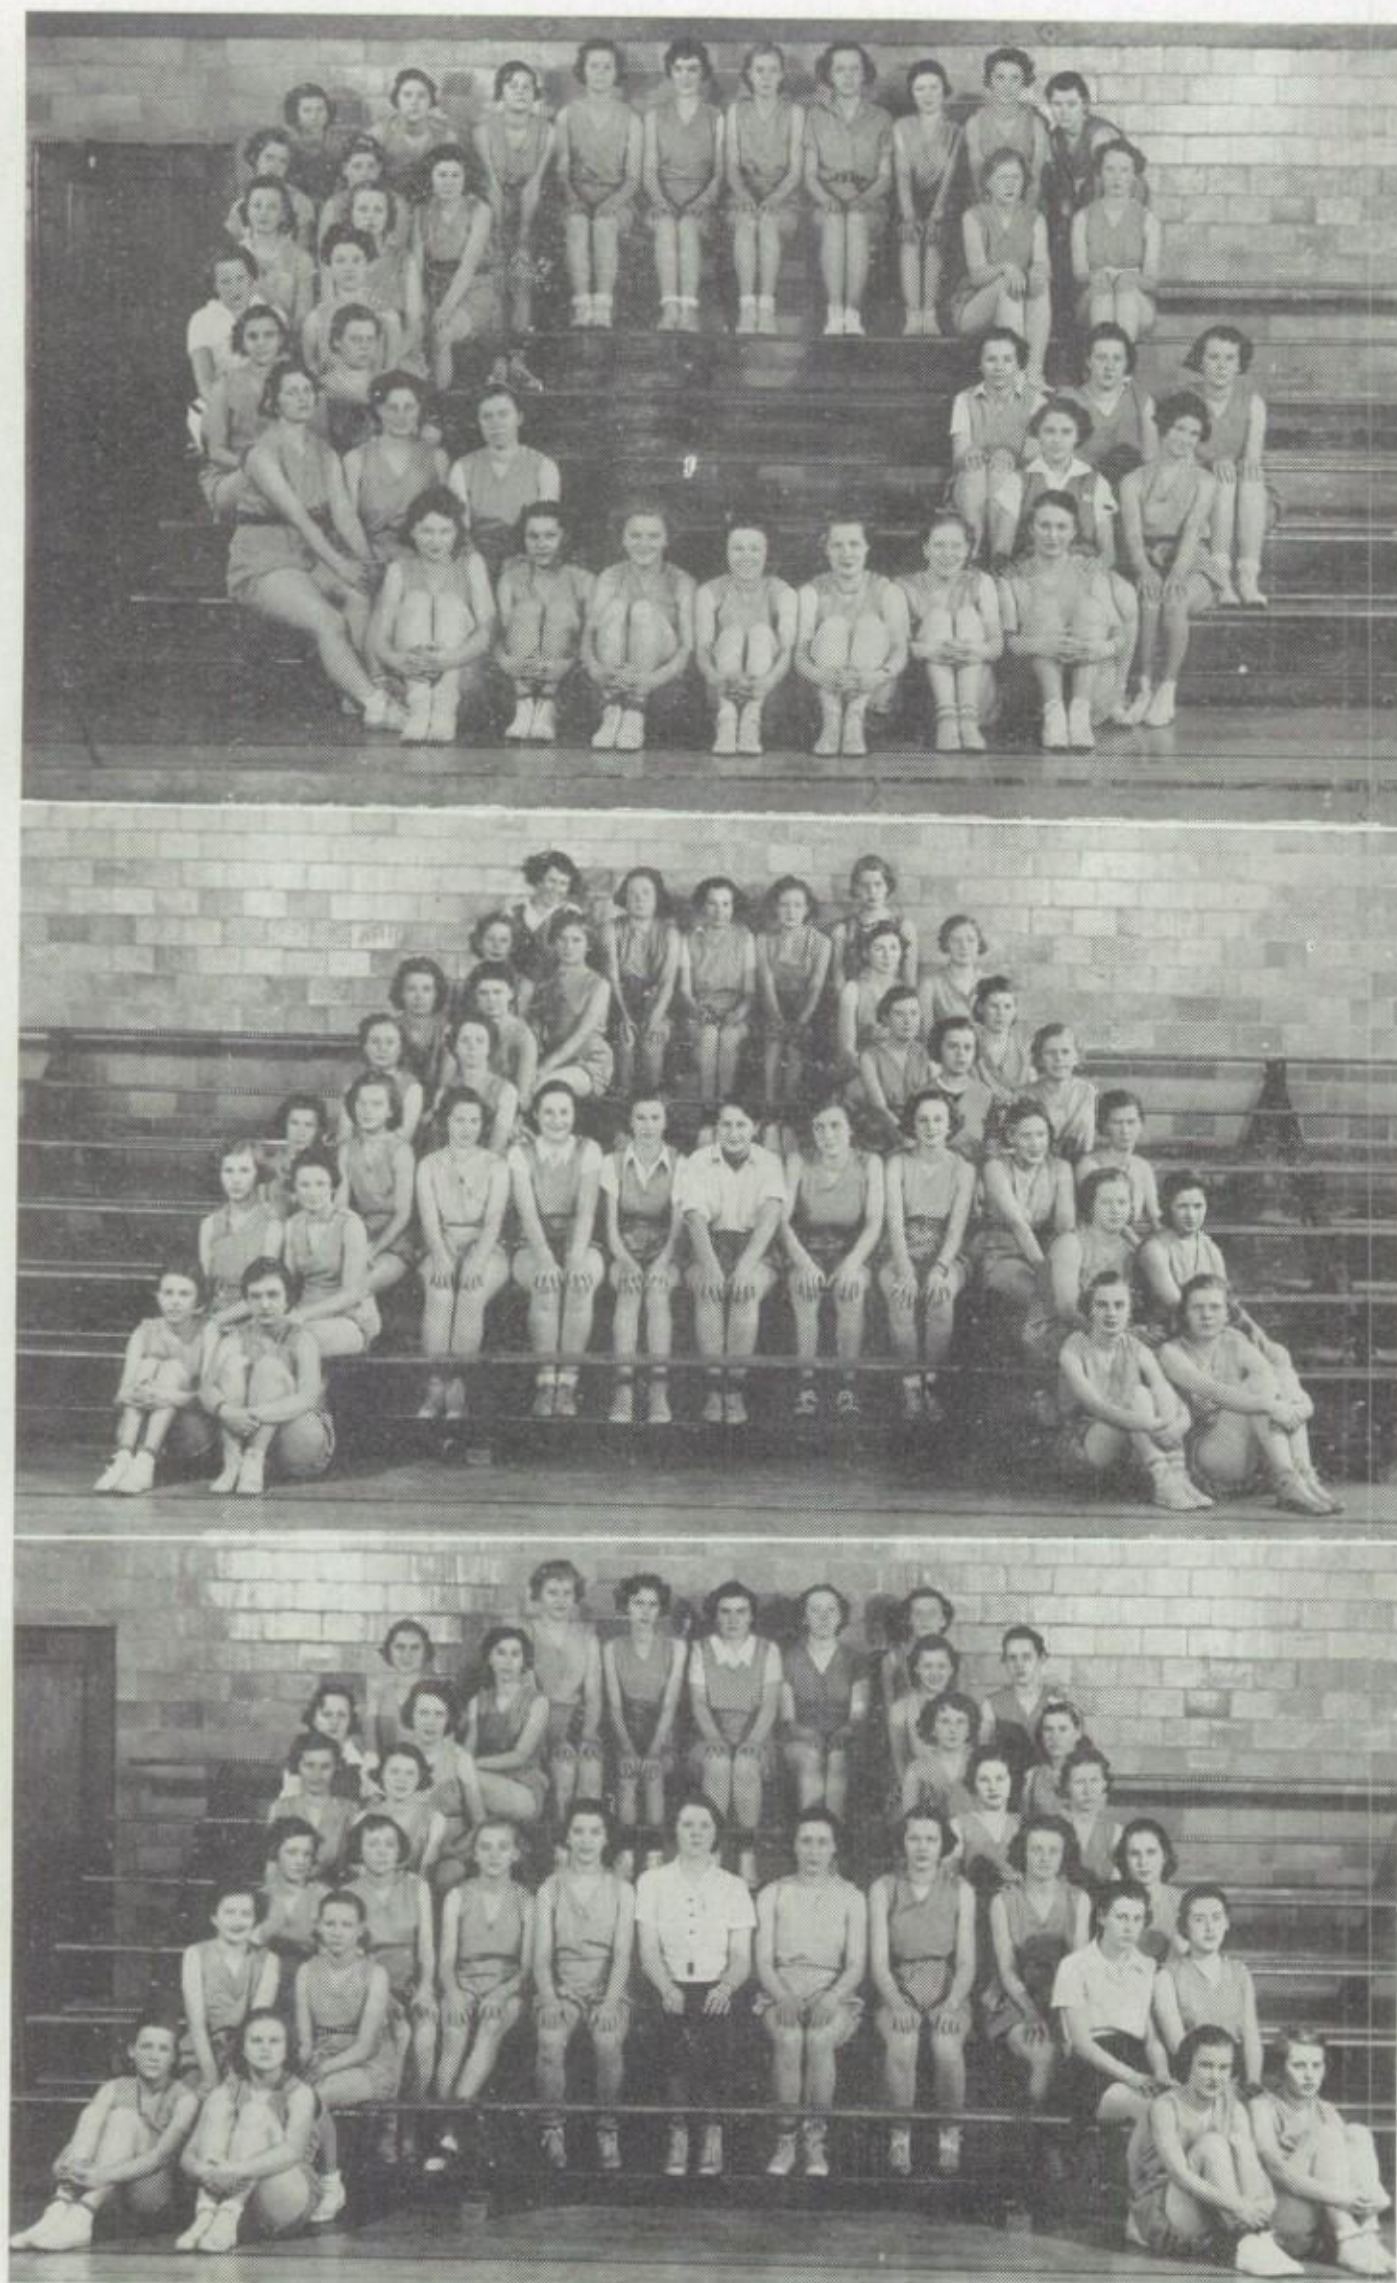

"A team for every girl
and every girl on a team."

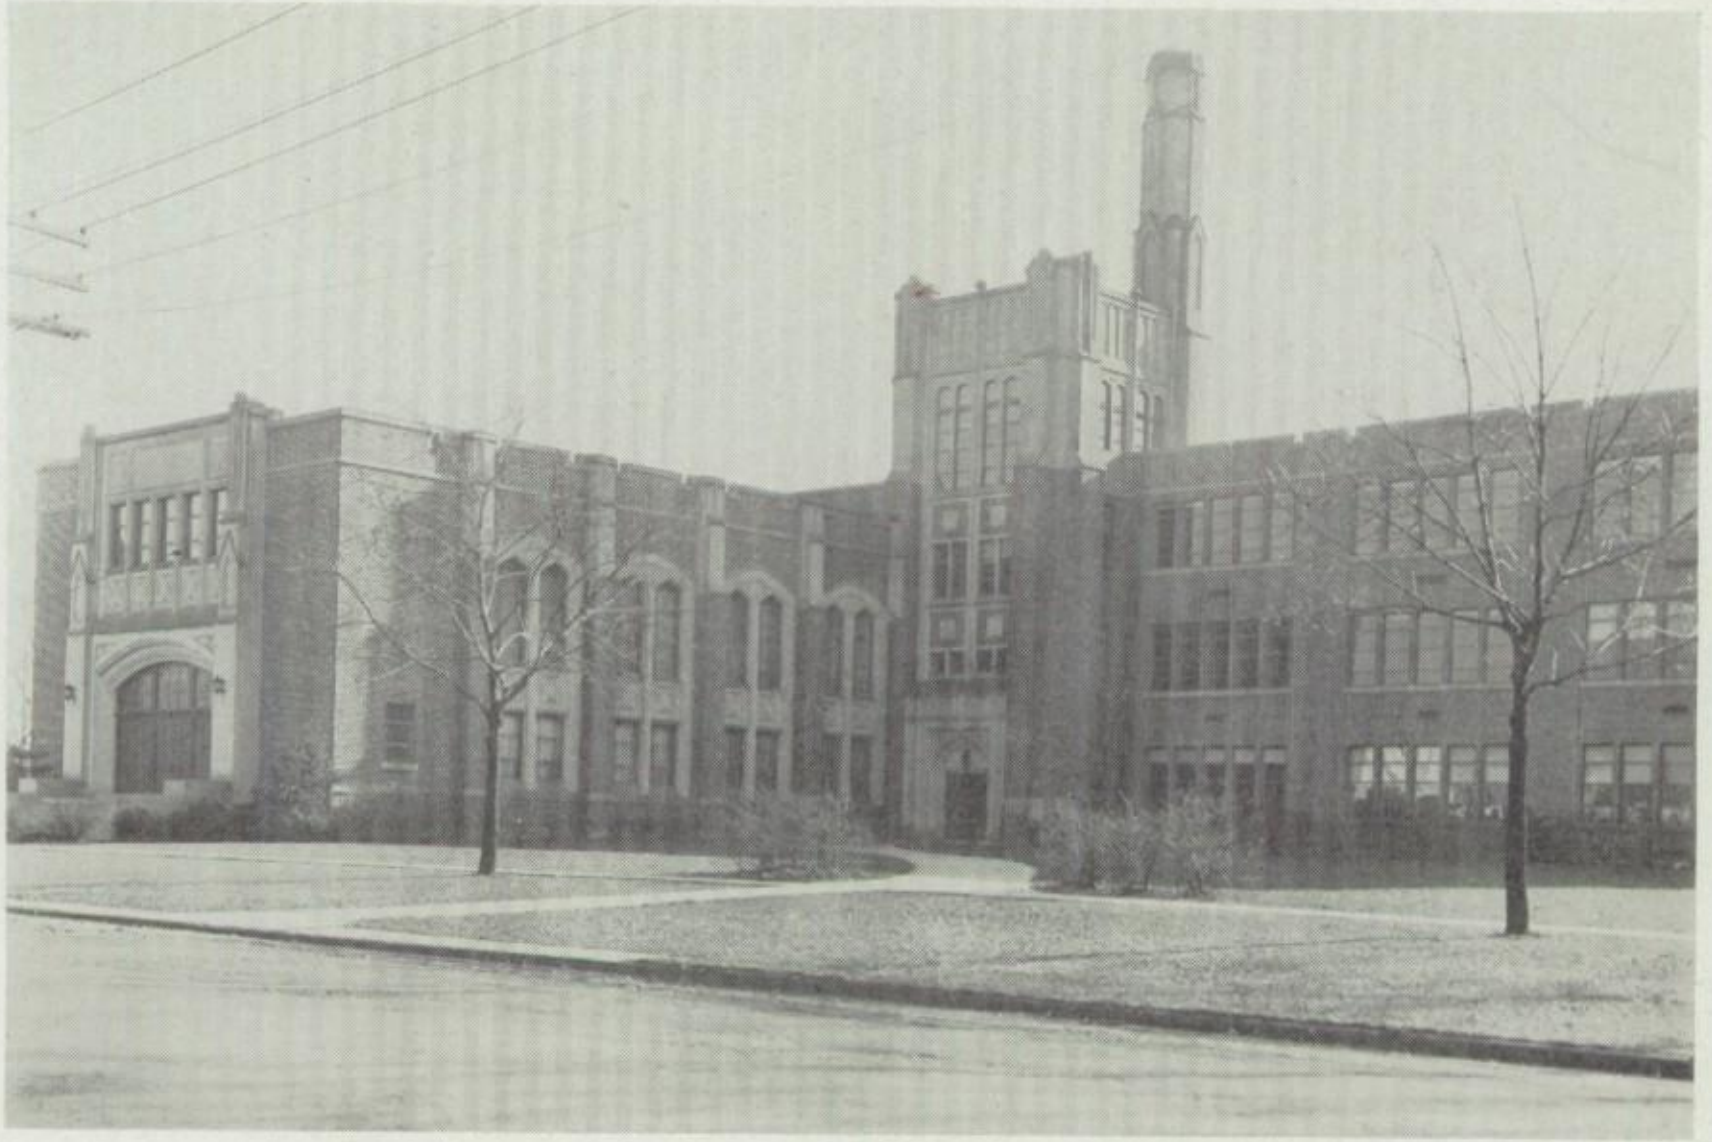

Our Girls' Athletic Association has completed a most successful and progressive year. Teams have been chosen in all sports so that any girl who is interested may take part. Tournaments (intramural and interclass) have been held in baseball, volleyball, basketball and table tennis. The important activities promoted by the organization and presented to the public were the vaudeville and the May Day program.

The purpose of the G. A. A. is to encourage every girl in high school to develop a spirit of fair play and sportsmanship, to promote health, and to create a spirit of fellowship among the students.

At the close of the school year awards were given to the outstanding girls for the number of points earned in various activities during the school year.

The G. A. A. owes a great deal of its success to its instructor, Miss Morrow. She has worked very willingly in the many activities the organization has sponsored. We wish to thank her for all her efforts, and to assure her that they have been sincerely appreciated.

Your Grandmother

Your Grandmother may not have purchased any household appliances on a payment plan — through a Finance Company. If not, possibly your grandmother used a wash board instead of an electric washer; carried the milk and butter to the basement three times a day, instead of using an electric refrigerator. The facilities of a Finance Company — our company — makes the purchase of modern appliances possible for the average citizen.
